ATTENTION CRST WIC CLIENTS

As of October 1, 2025, the NEW Food Package rules have been activated. The new rules include different quantity amounts, options to substitute foods, new food options, and no more flavored milk. For more information regarding your package please give CRST WIC a call.

And please be aware we are experiencing minor issues in WIC Nations System with launching the new food packages. If you experience any complications with your WIC benefits, please call and report the issue to the CRST WIC Office at 605-964-3947 or 605-218-0118. Please be patient as our team is actively addressing the issue. We apologize for the inconvenience this may have cause.
