

DENTAL HYGIENE VISTS

"Cleaning and Exams"

Call our clinic to schedule your cleaning and exam. During this check-up your teeth will be cleaned, X-rays will be performed, and the dentist will do an examination in order to treatment plan for any work that needs to be done at future appointments.

It is recommended that you have a cleaning twice a year, to help with optimal oral hygiene.

Call to schedule these appointments Monday's 9-9:30am
